EXPERIENCE & PROJECTS

UX Research Assistant | *Drexel University* Nov 2024 – Jun 2026

- **Research partnership:** Partnered with Dr. Michelle Rogers to improve record keeping in the GLOWM app.
- **Literature review:** Synthesized 50+ sources on medical records, maternity care and mobile health tools.
- **Platform comparison:** Compared GLOWM with OpenEMR and OpenMRS on patient lookup, visits and data entry.
- **Findings:** Identified 3 workflow gaps and proposed 3 testable redesigns; nurse testing pending IRB approval.

Marketing Intern | *Aramark (Drexel Dining)* Jan 2025 – Jun 2026

- **Social growth:** Doubled Drexel Dining's Instagram followers from 1.5K to 3K through original video content.
- **Video & graphics:** Scripted and produced short-form videos with 64K+ total views and designed marketing graphics.

Motion Graphics Designer | *Night Kitchen Interactive* Sep 2025 – Mar 2026

- **Walk of Fame videos:** Produced 30+ motion videos for Philadelphia Music Alliance on schedule, concept to delivery.
- **AI-assisted production:** Used Artlist and Higgsfield AI for research and layered depth effects.

Video Editor | *PickYourTrail* Nov 2023 – Aug 2024

- **Social video:** Directed Reels that drove 330K+ views and 4.4K+ interactions, lifting social engagement 20%.
- **Web traffic:** Increased website traffic 15% through video content that strengthened the brand's online presence.
- **Sales enablement:** Produced 30+ itinerary videos for the Sales team.
- **Cross-team campaigns:** Partnered with HR and Product on videos for product launches and promotions.

Web Design Intern | *Tata Consultancy Services* Jul 2022 – Sep 2022

- **Concepting:** Created 5+ concepts for an internal virtual office where web visitors see colleagues at work.
- **Wireframing:** Designed wireframes for the virtual office's key screens.

Drexel Works: Campus Job Search App | *Drexel University Project* Sep 2025 – Mar 2026

- **User research:** Surveyed 84 students and interviewed 10; 72% were unsure which jobs their visa status allowed.
- **Design:** Built a Figma prototype and design system with eligibility badges, filters and pre-filled applications.
- **Usability testing:** With 30 students, cut time to find eligible jobs by 42%; 86% understood badges on first pass.
